Descriptor Term: <b>FACILITY EXPANSION - GOALS</b>	Descriptor Code: <b>Support Services</b>	Issue Date: <b>07/24/2014</b>
	Rescinds:	Revised:

1 The Board shall authorize the construction of a sufficient number of school buildings to  
2 meet the demands of present and future enrollments. The Plans shall include the  
3 following:

- 4 1. Simplicity of design;
- 5 2. Sound economics, including low long-range maintenance costs and low insurance  
6 rates;
- 7 3. High educational utility; and
- 8 4. Flexibility.

9 The Board hereby establishes the following broad goals for development of facilities:

- 10 1. To integrate facilities planning with other aspects of planning in a comprehensive  
11 program of educational problem solving;
- 12 2. To design facilities economically while planning the specifications to meet the  
13 needs of students;
- 14 3. To involve parents, staff, and members of the community on school construction  
15 and design; and
- 16 4. To design school buildings while being mindful of potential community use.
